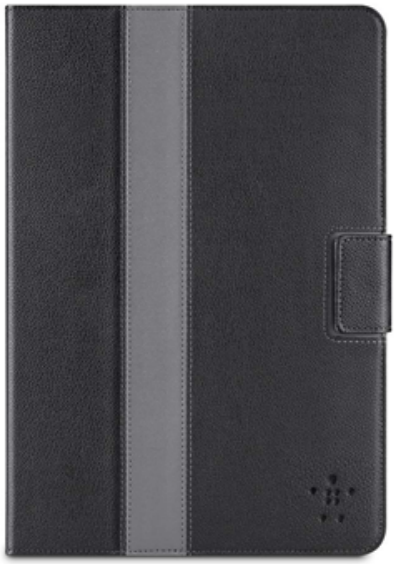
Striped Cover with Stand for iPad mini



Overview

Choose Your View
Simply adjust the stand to your personal preference and sit back to read, watch movies and video, or any of your other favorite content in comfort. When you're finished, the cover folds closed to protect the screen with a soft inner lining that's smooth against your device. The slim, lightweight design slips easily into any bag without adding bulk.

Multiple Viewing Angles
The adjustable stand moves to give you the most comfortable viewing experience.

Protective Corners
Get full protection without getting in the way of your screen. Snap your iPad mini into the Protective Corners, and watch as they quietly fade into the background.

Magnetic Tab Closure
The magnetized tab closure secures the cover to keep your screen protected. When open, the tab neatly holds the cover back and out of the way.
